

Wishing You Well

A CHECK-IN FROM LIMEGROVE

Marge Misses You!

In the blink of any eye our world seemed to change. As we navigate these uncertain times, it is important for us to check in with each other and retain our sense of community and caring.

You are all part of the Limegrove family and we hope that you are staying safe and well. Our team is still working to maintain our operations and we hope to be able to welcome you all back soon!

Security Updates

Following the announcement of the National lockdown, Limegrove applied for and received a limited number of Emergency Passes for key staff in the areas of Maintenance, Security and Cleaning.

We applaud our Security Officers for their commitment during this period. There is a 24-hr security presence making patrols around the Centre. We have included photos taken by Officer Gibson to give you an idea of the regular photo and video updates being provided to the Management team. It's a bit like receiving postcards from home! #WishYouWereHere

Also, as advised previously, the security gate being installed by the entrance to the Water Courtyard is close to completion. To date, all looks good and there have been no security concerns noted on the premises.

Rent Relief Programme

You should all have received information regarding the Limegrove Rent Relief Programme. During these challenging times we are working to establish a balance between maintaining operations while also protecting the many businesses that make up the Limegrove community.

Where possible we have scaled back operations while still providing key services including Security. We ask that you review this information carefully and contact Nicky/Pat with any questions/concerns.

Nicky: nicky@limegrove.com

Pat: patricia@limegrove.com

Maintenance & Operations

Under the strict national lockdown guidelines, Emergency Passes were issued for a skeleton maintenance presence. Cecil, Maintenance Manager, has been performing consistent maintenance checks across the entire property and is overseeing the management of the sewage treatment system. He will continue visiting the property 4-5 times per week and is on call 24/7.

The spread of Covid-19 has meant that rigorous and enhanced cleaning is imperative. Our custodians have done a tremendous job of cleaning the Centre and maintaining areas still in use by those tenants allowed to open. With landscaping not allowed to continue at this time, the Custodian team has also actively taken on the responsibility of looking after the plants and flowers on site. Shaquan has been doing a great job, with oversight by the ladies, Donnis, Bonita and Sophia!

Important Resources

WE'RE ALL IN THIS TOGETHER

Stay Informed. Stay Connected.

With the situation changing daily it is important to stay informed and to follow news from credible sources. At the International level we suggest the websites of the World Health Organization (WHO) and the CDC. The WHO also offers a WhatsApp information service for questions about Covid-19.

At the local level we suggest following the Barbados Government Information Service at www.gisbarbados.gov.bb or on Instagram at @gisbarbados. Links to the transcripts and live videos by the Prime Minister of Barbados can be found on the official website of the Prime Minister of Barbados at pmo.gov.bb.

It has also been great to connect with many of you via the LG Tenant WhatsApp group. It has proven to be a means of sharing valuable information and retaining a sense of community. For those of you who may want to join, please send your name and telephone number to Pat at patriciaelimegrove.com.

Free Resources

In addition to binge watching Tiger King like the rest of the world, we have been checking out some of the interesting content popping up online. For anyone who may be interested check out this FREE webinar discussing retail and Covid-19 – visit www.mytotalretail.com to sign up.

Stay Safe!

ON A PERSONAL NOTE

*"When it rains,
look for
rainbows, when
it's dark, look
for stars."*

At times like these, there are no right words to say. We are living in uncertain and unpredictable times and each of us will be impacted by this pandemic in some way.

Above anything else, we want to urge all of you to stay safe. We know that we will get through this - Together.

As we adjust to new ways of communicating, working and changes to our daily lifestyles, we are heartened by the sharing and community spirit that continue to be demonstrated.

Right now, one thing we know for sure is that our community is resilient.

We promise to keep you updated and we want you to know that our 'virtual' doors are always open.

*With Love,
The Limegrove Team*
