

# Why Beanie Hats Became so Popular

In the early 1900s, a small close-fitting hat was originated in the USA. College students wore the same, and in early 1950, it was worn by first-year college students. This small and intricately embroidered hat is known as a beanie hat. **Handmade beanies** were prevalent in earlier times, and people liked the same for their unsurpassed fit.

With a distinctive fashion accent, beanie hats are popular due to their fashionable appeal and affordability. These stylish and straightforward beanie hats will make your photos praiseworthy if you are a prolific social media user. According to Fashion enthusiasts, *“From Instagram influencers to rappers, Beanie is their first choice when it comes to wearing accessories. This makes Beanie stand out from the crowd.”*

## 1. Helps to cover you up with fashion

In the hustle-bustle of regular life, you may not have the time to decked up. A solid color beanie can be enough to keep yourself comfy and fashionable. Like wide-rimmed glasses and flannel shirts, millennials like beanies. The trendy look can go from the office to after-hours with ease.

## 2.To conceal your ugly hair looks

You may feel jaded with your hair every morning when attending a meeting. A beanie could be the lifesaver in this case. Leave your hair underneath the Beanie. With the dazzling colors of beanie hats, you are one step ahead when it comes to flaunting yourself.

## 3. Beanies are inexpensive

The price of beanies is one of the main reasons for their popularity. The low cost of beanie hats makes them accessible to everyone. You can also choose from the clashing colors, which will make the same a favourite outfit.

#### 4. Loved by millennials and gen Z

Beanie has become an internet sensation, and the young generation is also raving about the same. They post shots wearing beanie hats, and the netizens are lauded the same. Needless to say, social media plays a pivotal role in creating trends. The beanie hats are the present-day fashion hotcake- encouraging more people to buy the same.

#### 5. For trendy hipster look

Do you want to kick up your style? A beanie could help you to do the same effortlessly. It is trending right now that leaves you decked up for your next social gathering.

#### 6. Part of skate culture

Beanie hats are now popular among the skate community due to their remarkable comfort. If you are thinking of skater fashion, don't stop on a graphic tee and a pair of vans- a beanie hat could be the gamechanger.
