

Name: Urbino Resort

Headline: Indulgence in the picture-perfect Marche

Short Description:

Experience authentic Italian countryside life at a luxurious boutique resort with wellness facilities, an award-winning restaurant, and an organic farm.

The Best Part:

A luxurious rural escape with spa facilities and gourmet dining, with breakfast included.

Summary:

The beautiful Marche region is nestled in the heart of Italy, boasting a spectacular Adriatic coastline to the east and rolling green hills to the west, bordering Emilia-Romagna, Tuscany, Umbria, Lazio, and Abruzzo. Here, the good life is cherished – fine food and wine – and here, nestled among vineyards, lavender fields, ancient oaks, and a sparkling lake, you'll find Urbino Resort: a lovingly restored medieval farmhouse complex.

The elegant boutique resort sprawls across several buildings set within a lush nature reserve, with the outdoor pool offering panoramic 360-degree views as the centerpiece. The state-of-the-art spa – a comprehensive wellness oasis – is housed in the former hay barn, and the resort also has its own organic farm producing wine, olive oil, and honey, served in the restaurant and at breakfast. A small rustic shop lets you take home some of the farm's delights. Indulge in an authentic Marche dinner prepared by star chef Stefano Ciotti, and when not relaxing at the spa, enjoy wine tastings, cooking classes, or horse riding.

We Love:

- Waking up in the heart of the Italian countryside each morning
- Relaxing with a rejuvenating treatment in the luxurious spa
- Taking home the resort's freshly produced farm goods

Rooms:

Urbino Resort comprises six farmhouse buildings, each individually decorated while retaining its original charm, with fireplaces, exposed beams, hand-carved headboards, and handpicked antique farm tools repurposed as tasteful decor. Classic rooms measure 22 sqm and feature en-suite bathrooms with showers, double or twin beds with crisp linen, and towels.

Dining:

A continental breakfast is served every morning in the sunlit breakfast room, once a chapel, featuring homemade breads and pastries, organic yoghurts, eggs, and various toppings.

Enjoy a drink, smoothie, or light bite at the Organic Bar, or make your way to Urbino dei Laghi restaurant, with award-winning Stefano Ciotti at the helm. Focused on tradition, innovation, and health-conscious cuisine, it also serves gourmet pizzas based on Thomas Morazzini's famous 65-year-old sourdough recipe, with seasonal toppings from the resort's own farm. Complementary organic wines from the estate and the best vineyards in Italy, as well as a wide selection of beers, complete the experience.

Spa:

The luxurious spa offers a serene, relaxing atmosphere with panoramic views of the beautiful countryside. Treatments focus on hydrotherapy, massage, aromatherapy, and chromotherapy. Choose from a variety of treatments, beauty therapies, or simply unwind in the sauna or thermal baths.

Location:

Urbino Resort is situated approximately 80 minutes from Ancona Airport and 90 minutes from Bologna Airport, just 9 km from the historic Renaissance city of Urbino. The Adriatic coast is a 40-minute drive away, and the world-famous truffle valleys, lined with charming medieval villages in pink and cream sandstone, are nearby – perfect for exploring by bike or on horseback.
