Gastronomy

BELOVED FLAVOURS OF THE MED

Savour indulgent and pure cuisine inspired by the season and the verdant Mediterranean terrain at our two restaurants. Here you can unwind in a relaxed environment surrounded by a Provencal oasis, as the hectic pace outside the domain fades away like a distant memory.

Where Culinary Meets Authenticity

In the morning, tuck into a well-balanced continental breakfast by the pool, as you plan your day ahead.

Opt for a light lunch at La Guinguette, loved by locals for its delectable sharing plates and undeniable holiday vibe. As the sun sets over the domain, install yourself on Le Restaurant's terrace for a more elaborate menu with breathtaking views of the valley.

Both restaurants are set in an informal atmosphere. Dietary requirements? Let us know! Our amiable staff will do everything

to fulfil all your wishes.

Le Petit-Déjeuner

Whether you're an early bird wishing to start the day as soon as possible, or a late riser, you can choose the kind of breakfast you desire.

Le soir - Le Restaurant

Le Restaurant focuses on pure flavours with some surprising touches. The Mediterranean has an incredible array of produce to offer, especially when it comes to seafood, vegetables, herbs, and fruit. A real joy for the kitchen. The sophistication is found in the simplicity of the dishes.

A midi - La Guinguette

La Guinguette is the place where you can order some sharing plates with friends, meet and mingle with other guests, or have a small bite with a chilled glass of rosé wine in between two tanning sessions. The summer vibe is very present here, so feel at ease arriving bare foot, or lightly dressed—always in style, obviously.
