

**Subject Line: Are You Ready to Apply, {{First Name}}?**

Hi {{First Name}},

The PharmCAS application officially opened on July 14, 2020! As you prepare to apply, I wanted to remind you of some important dates so that you're ready to go when you start your application.

**The Early Decision application deadline is September 8, 2020, by 11:59 pm Hawaii Time (HT). Receive a decision by October 23!**

This is a great option for applicants who know that USC is their top choice, as Early Decision applicants apply to only one program. The PharmCAS application, official transcripts, letters of recommendation, and application fee are due by September 8, 2020. You can find more information on Early Decision [on our website](#).

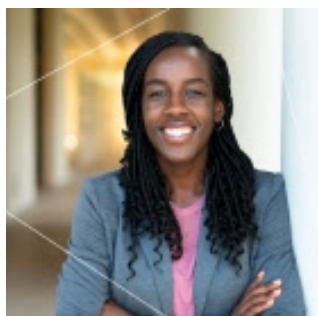

**The regular PharmCAS application deadline will be Tuesday, December 1, 2020, by 11:59 pm Hawaii Time.**

Even if you choose not to apply for Early Decision, I recommend that you submit your application as soon as possible. We have rolling admission, with multiple virtual interviews from October 2020 to March 2021. The sooner you turn in your application, the more interview dates you have the possibility of being invited to. Learn more about USC's PharmD application process [on our website](#).

We will continue to contact you during the application cycle with important reminders and other information about the USC School of Pharmacy. Be on the lookout for an invitation to our upcoming Virtual Information Session on Friday, September 18, 2020.

I'll be your main contact for the USC School of Pharmacy PharmD program, so let me know if you have any questions as you prepare for the application cycle.

**Fight On!**
