Tiger Woods PopStroke opening in Fort Myers next month

By Jess Smith

Tiger Woods PopStroke is opening in Fort Myers next month, ultimately giving it a fresh new location for golf fans to come enjoy the visceral family experience. Greg Bartoli, the PopStroke founder, announced that Naples' locations, Tamiami Trail and another at Sarasota were to open. The site located at Naples is not yet completed. Port St. Lucie is the original location for PopStroke.

Outdoor interactive experience with dining

PopStroke, which provides a thrilling entertainment atmosphere, has two 18-hole putting courses designed by Woods and his TGR Design Team. This time next year that woods bought a stake in ownership and agreed to design the courses for Popstroke. The facility has spectacular outdoor dining with a full menu, a vast variety of beers, and alcoholic beverages. There is also something for the kids to enjoy with the inclusion of playgrounds, outdoor games, and many other child-friendly amenities.

The Tiger Woods PopStroke opening will include normal COVID-19 protocols.

It also features an app for contactless payment and order in the age of COVID-19. Food and drinks can be ordered and delivered anywhere on the course using the PopStroke app.

Tiger Woods believes PopStroke will bring family together

"As a partner in PopStroke, I am excited to use golf and specifically putting to bring families and friends together," Woods said in a release. "From competitive putting tournaments to kids playing on the playground, PopStroke really does offer something for all ages.

"Keeping families, kids and skilled putters in mind while building the two putting courses was a fun challenge for myself and my TGR Design team. I am proud to be an owner and partner of PopStroke."

Woods will be honored in 2021 Hall of Fame

Tiger Woods had claimed 15 major championships to his name, which is second all-time to Jack Nicklaus. Woods is on the frontline as he is tied for first having PGA Tour victories with 82. The golf legend will be inducted into the World Golf Hall of Fame in 2021.

The golf course is designed with synthetic turfs, bunkers, fairways, and rough like most traditional golf courses. The Tiger Course was crafted with tricky hole locations and strong contouring intended to challenge experienced putters. On the other hand, the Cub Course's softened contours and less bunkering happen to be ideal for families, kids, and anyone new to golf.

"We are excited to open our second PopStroke location in Fort Myers, Florida – bringing our unique entertainment and putting experience to the west coast of Florida," Bartoli commented in a press release. PopStroke is all about bringing families, friends, kids, and experience putters together in an interactive environment, and Fort Meyers is a perfect community to do that."
