SIDDARTHA TYTLER X FABALLEY

Faballey and Siddhartha Tytler join forces for an eclectic designer collaboration to kick off the summer holiday season.

Siddhartha's signature laidback luxe sensuality blends with Faballey's ease and versatility to present a transitional limited edition capsule perfect for far-flung destinations, just as it is for work, play and everything in between. At the heart of the collection are iconic prints from the designer's archives featuring kaleidoscopic florals and abstract geometrics, reintroduced on weightless fabrics. A sombre summer colour palette of dusky blues, soft pinks, and midnight blacks is masterfully offset with pristine whites and molten metallics to make the fantasy of a spontaneous tropical escapade a reality for women from all walks of life.

Setting the tone for balmy summer evenings are free-spirited maxis and playful kaftans that make drifting from the beach to the bar, a truly effortless affair. Ultra sleek crop tops, statement jumpsuits, and sharp yet flowy trousers lend a dash of 'resort chic' to brunches in the city and midday soirées. The complete package from dusk till dawn, the collection also indulges in the ideal midsummer night's dream with sultry body-flattering dresses, elevated with sequins and shimmery surface embellishments that are worth throwing a party for!

All for the jet-set lifestyle, Siddhartha Tytler X Faballey offers pieces that promise to be the perfect companion for getaways galore—making it a sun-soaked summer to remember!
