

FROM OUR SCHOOLS

Success Academy Williamsburg families hosted their annual food drive this month to benefit the victims of Hurricane Maria in Puerto Rico. SA Williamsburg scholars take great pride in their humanitarian efforts every year — previous fundraisers included a library in Uganda, animal shelters, coat drives, and toy drives.

Their goal? To collect 500 pounds of nonperishable food items to send to those families in need. SA Williamsburg is collaborating with local community organizations, who will transport and distribute food and other hurricane relief items donated by scholars and their families.
