IN THE SPOTLIGHT: WELCOME MEETINGS

Welcome Meetings

The Lottery is complete, the results are in the mail, and the Enrollment Team is preparing for the first of our summer enrollment events: Welcome Meetings!

You may remember that Welcome Meetings are an opportunity for parents to learn the basics about Success Academy. Enrollment staff and principals can answer technical questions about curriculum and design, but we also know that what prospective parents value most is the experience of current parents. For this reason, we are calling on all of our Parent Mentors! Volunteer an hour of your time to attend a Welcome Meeting and share your personal experience as a proud SA parent.

Parent Mentors Speak About SA Life at Williamsburg House Party

The Sepaniak family opened up their home to prospective SA Williamsburg parents last month and provided them a snapshot of what it is like being a Success Academy family! Maria Gargano, a current Parent Mentor, provided additional insight by sharing examples of her scholars' homework assignments. It was an exciting evening for prospective families as they learned how current families navigate drop off and dismissal, review homework assignments, and volunteer for class field trips and other school events.

A View From the Field: We Are Still Accepting

WE ARE STILL ACCEPTING Late Applications!

Many parents across the city are still looking for quality education options. For this reason, Success Academy enrollment staff continues to conduct outreach in our communities and make parents aware of SA as an option for their children throughout the summer. Interested parents can submit a late application and be added to the waitlist, even after the April 1 deadline!

If you know of a daycare, after-school program, or summer camp where parents could benefit from information about SA, [contact your Parent Engagement Manager!](#)
