## Our Scope of Practice

Attorney Fred Polacek and his team have many years of experience representing clients suffering from personal injury and related issues. Our main areas of practice include:

- **Personal Injury:** Have you been injured due to someone else's negligence or actions? We take cases involving many types of personal injury, including car accidents, motorcycle accidents, slip-and-fall accidents and wrongful death cases.
- **Medical Malpractice:** When a medical professional harms you, you likely have the right to seek compensation. We can discuss your medical malpractice case and help make sure you receive the restitution you need for any consequent medical bills, lost wages and other related issues.
- **Commercial Litigation:** Protecting your business interests is just one more way we protect our clients. When your business is facing a breach of contract, partnership dispute, fraud or other business-related issue, count on us for knowledgeable representation.
