Brands We Trust

Our company installs heating and cooling products from only leading brands such as:

About Us

Sub Zero Temp Control is a licensed HVAC/R contractor in the state of Washington.

As local specialists in residential heating and cooling services, our team is known around Vancouver for delivering affordable, reliable HVAC solutions that homeowners can trust. Sub Zero Temp Control is a local HVAC company owned by longtime Vancouver resident Russ Chukhriy. Russ grew up in a family of HVAC professionals, so he's been in the industry since his childhood. Now that he runs his own crew, Russ proudly gives the Vancouver community reliable, honest HVAC services that don't break the bank.

- ✔ Licensed contractor with decades of experience
- ✔ Serving homeowners in greater Vancouver, WA
- ✔ Dedicated to affordable, reliable HVAC services
- ✔ Available 24/7 to answer emergency repair calls

24/7 Emergency Service

Call us day or night, weekends and holidays, for emergency HVAC repairs.

Expert Diagnostics

Our experience in all major makes and models means accurate repairs.

Top-Quality Installations

We rely on Ruud heating and cooling products for reliable installations.

Our Customer Reviews

Here's what local homeowners have to say about our company!

“

Russ & team were positive and professional removing my old system and installing both a heat pump and a new furnace. Excellent service and attention to detail. They understand how...

- Scott Johnson
