

This piece was for Copify. It was 300 words to be included on the client's website.

The finished copy

#295950 Misc [Building and Construction,
300 words] - 300 words

Flagging and more!

Flagging - Decorative flagging or ultra durable paving? We provide and fit paving for diverse projects, including pavements, pedestrian precincts, driveways and patios as well as offering help with layout and design.

Kerbing - Experts in kerb laying, we've tackled many projects including: *roads *carparks and *driveways. We have experience with all kerb types including natural stone, combined drainage kerbs and path edgings.

Reinstatement white black top - We offer extensive experience and skills in the reinstatement of roads and streets after works have been undertaken, including filling, resurfacing and white lines work.

Fencing - We can support all your fencing needs whether a large project or small. Garden panels, Trellis work, posts and playgrounds are just a few of the services we offer.

Driveway installation - Whatever your choice of driveway we are able to advise and assist you in making the right choice of materials and design. We work with block paving, resin and tarmac.

New build footings - Proficient in new build footings and foundations, we'll help you navigate this important, but complicated procedure, saving you money from the off, with our accuracy and intricate planning knowledge.

Drainage - We provide a full drainage service for your new or old build. Whether you need a brand new system, an update or an unblocking, we can meet your needs.

Asphalting - With proven experience in surfacing we can work within diverse sectors including: highways, car parks, airports, property development and retail.

PLANT HIRE

18 tonne tipper - Whatever your transporting needs, our 18 tonne tipper can help. With a payload of up to 10 tonnes it can transport many materials, including: *Soil *sand *gravel *limestone and pebbles.

Machine hire - Our diggers and excavators can provide for all your building or garden projects including trenches, holes, foundations or dredging.

Grab hire - Our vehicles can remove a large variety of waste products simply and quickly. They, along with our drivers, are expert at (literally) taking the weight off your shoulders!

Roller hire - Whatever you need to compact, we have a roller for you! Our rollers can tackle stone, hard core, gravel, sand and ballast.

Original brief

DEADLINE NOV 1ST 2020, 02:38 PAYS £3.00 BUILDING AND CONSTRUCTION MISC

We would like a piece of content on the subject of "Building and Construction". The purpose of this content is to inform. We would like this to be written in an informal style.

-- notes --

We need a couple of one sentence say 30 words per section to fill in each category on website. eg. Flagging, Kerbing etc 8x in total and bottom section eg 18 tonne tipper x4 sections, basically everything in foreign text needs some content. It doesnt have to be 300 words as long as it fills the gaps. Thank you <http://www.cosmorgroundworks.co.uk/new/>
