Manicures are much more than just polishing nails. For some they act as self expression, a confidence boost, and an escape from reality! But sometimes it isn't as easy as it sounds. Let's be honest picking a nail color or design might be the hardest part about the entire experience! It's even more stressful to pick a color that you feel like seeing on your nails for the next week or so. Looking at the color wall can be very stressful so to help here are 5 trendy shades that are in season right now!

### 1. Nudes and Neutral Colors

Nudes and Neutral color nails are perfect for any occasion. In a workplace setting they offer comfortability while also being stylish. Nude/Neutral nails are also the best option if you're clumsy like me! Imperfections or mess ups are rarely noticed with these amazing shades. These shades are found in almost every nail polish line from OPI to

Sally Hansen and they are perfect for the

winter!

If Neutrals aren't your thing, Neons of course are back in style.

### 1. Neons

Don't want the traditional “bland” look? Well let's add a pop of color to your life! Neons are a great alternative and are totally in right now! From Lime Green, Hot Pink, to Orange! These colors will instantly catch the attention of anyone.

## 2. Classic Red

Never underestimate the power of a red nail polish! As bold as it is, a classic shade of red looks good in just about any skin tone, nail shape and length. This color is absolutely timeless and will more than likely continue being a top 5 color to women everywhere.

## 3. Pastels

Pastel colors don't always have to be basic and predictable. From lavender to blush pink to baby blue, Pastel nail polish is fresh, and reminds you that spring is right around the corner! Opi says whether it's springtime or you're just looking to lighten things up, they have every shade you can imagine!

## 5. Classic French

Whether you're going to work, a formal event or church, A classic french manicure has definitely made a comeback and probably is a trend we will continue seeing for a long time! In fact you can even spice this look up with rhinestones, designs or shape.

Classy yet cute!

Remember when it comes to nails your personal preference is all that matters! Whether you love short french tips or bright purple coffin nails, always remember that life isn't perfect but your nails can be!
