

Refresh. Reinforce. Revitalize.

Sharpen Direct Care Skills Through Bite-Size Learning

CareAcademy PowerPacks are crafted to level up your care providers. Sharpen skills, ensure consistent care, and boost caregiver confidence with our elite collection of short video bundles curated for focused, timely learning.

Complement your staff's foundational training and maintain critical caregiving skills over time with CareAcademy PowerPacks. This isn't just a refresher—it's the gold standard in continuous learning.

- **Boost Knowledge Retention:** Equip your staff with pre-shift refresher videos, ensuring direct care workers have the most relevant skills top-of-mind.
- **Enable Continuous Skill Development:** Go beyond compliance and foster professional development all year round to provide each client with consistent, high-quality care.
- **Improve Focus:** Access the short-but-powerful video bundles exactly when they're needed, leading to higher engagement.
- **Increase Confidence:** Address gaps in foundational knowledge in 85 skill areas, supporting skill mastery and application in real-world scenarios.

Ideal For

Any organization with direct care workers, including:

CareAcademy PowerPacks feature:

- **Varied & Detailed Content:** In-depth knowledge in manageable chunks spanning 85 skill areas
