Mama, Sing My Song: A Sweet Melody of God's Love for Me **celebrates kids' perfect individuality with a song they'll never forget**

*Affirming picture book presents a lyrical love note for families to cherish forever.
Releases Tuesday, September 20.*

NASHVILLE, Tenn. (July 18, 2022) – The words spoken over us as a child hold great power, and our understanding of them begins very early on. In fact, children begin understanding the meaning of words as early as 6 months old, research from the [Proceedings of the National Academy of Sciences](#) tells us, which is why it is imperative to provide parents with early resources to let their little ones know that they are safe, loved, and cherished.

For years, Amanda Seibert, the “original mama” behind the company [Mama, Sing My Song](#), has gifted children around the world the magic of music through personalized lullabies celebrating and honoring the diversities and unique features found in each child. Turning song into story, Amanda is now providing parents with a love note to speak (or sing) over their children with the release of her first children’s book, [Mama, Sing My Song: A Sweet Melody of God’s Love for Me](#) on Tuesday, September 20.

“There are three things I have become quite sure of,” says Seibert, “every child is uniquely made in the image of God; the words we speak have great power, and song is one of the most memorable, meaningful ways to touch a life. When you combine those three things, something truly magical happens.”

Written and recorded as a song, Seibert’s engaging rhymes and heartfelt lyrics are showcased on every page of *Mama, Sing My Song*. “My hope is that as families read this book together, this song would become a part of their everyday lives,” says Seibert. “I pray that as these children grow, this song would become stuck in their heads in the most wonderful way, reminding them deep in their hearts of who God made them to be and just how dearly they are loved.”

More than just a book, *Mama, Sing My Song* includes a beautiful keepsake page to write down hopes and dreams for your child and a QR code for an original song to coincide with the book. Intended for ages four to eight, *Mama, Sing My Song: A Sweet Melody of God’s Love for Me* is an affirming picture book that

- celebrates the love between parent and child
- encourages kids to embrace God’s love for them
- provides kids the security and love they’re seeking
- highlights all that is good in our little ones

Mama, Sing My Song: A Sweet Melody of God’s Love for Me makes a touching keepsake gift book for baby showers, Mother’s Day, Christmas, birthdays, and other new beginnings such as adoption, a new sibling, or one’s first day of school.

[Mama, Sing My Song: A Sweet Melody of God’s Love for Me](#) (ISBN: 9781400235544) releases on September 20, 2022, everywhere books are sold. Copies of the book and interviews are available upon request.

About Amanda Seibert

Amanda Seibert is the founder and “original mama” of Mama Sing My Song, a company that has created personalized songs and lullabies for thousands of kids all over the world. She believes that every child is uniquely created and loved by God, that words hold great power, and that *song* is one of the most beautiful, memorable ways to touch a life.

She attended Moody Bible Institute, spent three years serving at a children’s home in India, and now lives in Indianapolis with her husband and three children, where they try to fill their home with songs, dance, and laughter each day.
