

IMPACT MINTS MAKE AN IMPACT

Whether it's the anticipation of that first kiss, an intimate dinner date, a casual evening with friends, or just everyday things at school, college, or office; we know you want to make a good impression.

While we leave you to figure out everything else, we've got your breath covered!

Impact Mints makes your breath smell good, and your insides feel fresh.

What are we about !

We firmly believe that great taste and style are all you need to enjoy life to the fullest. Colors never go out of fashion and our mints are to stay. We put all our resources into creating the best tasting mints that you can taste and elevate yourself everywhere you go.

We invite everyone to enjoy the taste and make an IMPACT

MINT YOUR PRODUCTIVITY WITH A FRUITY FRESHNESS

The key to a fruitful productivity session is continuous small breaks. One mint does wonders here. In the first place, you get to enjoy the taste of refreshing fruits. And simultaneously, you get to ease your mind and unwind for a while. A pleasant taste and cool feeling in your mouth serve as positive reinforcement. Which gets you feeling motivated for the prolonged productivity session. Happy Brain and happy mind multiply productivity better than anything else combined.

PRODUCTIFY: WITH HAPPY TREATS & HAPPY TEETH!

LET'S FRUCTIFY: WITH HAPPY TREATS & HAPPY TEETH!

You really thought the sweet taste and healthy teeth don't go together, Didn't you? Happily enough, there are zero traces of sugar in our range of mints. Now you, and your dentist, can enjoy a flavorful pop of Impact mints on your next visit. And as ironic as it might sound. Our Blueberry Yoghurt & Mango Yoghurt Impact mints flavors are enriched with calcium. Go ahead, share the fun. Not just with your dentist but everyone around you!

A MINT-ALISTIC APPROACH TO SELF DISCIPLINE

Good food is great! It looks tempting. It tastes amazing. And indulging is something of an experience in itself. But, we do not live in a magical world. We cannot eat all that we want at all times we desire. Here's a hack to keep your self-discipline on track. You can pop mints as a filler between meals and as a dessert after meals. This way, you can enjoy delicious fruity, berry, minty, and yogurt tastes in a matter of fewer than 5 calories. Time to say hello to your weight management, and health-oriented goals with a sweet taste of fresh breath!
