*We are so proud of this community and the overwhelming support demonstrated over the past several months."*

# Communities *helping communities*

**WIND CREEK BETHLEHEM HAS EXTENDED THE PROPERTY'S MOST RECENT COMMUNITY RELATIONS INITIATIVE DIRECTLY TO ITS GUESTS.**

A true embodiment of *communities helping communities*, Wind Creek Bethlehem guests can now donate unused gaming vouchers into collection boxes located throughout the property. Proceeds from the vouchers, collected twice a week, are donated to local recipients including the Hispanic Center Lehigh Valley and Victory House of Lehigh Valley.

While the initiative started less than a year ago in November 2020, guest support has been immense. In a short time, voucher donations have totaled over \$20,000.

"It's no surprise that our guests have responded so well to this initiative," said Kathy McCracken, Executive Vice President and General Manager at Wind Creek Bethlehem. "We are so proud of this community and the overwhelming support demonstrated over the past several months."
