### Education:

- B.A. in Nursing from Texas Tech University
- MBA, University of Phoenix
- MHA, University of Phoenix

### Bio:

- Lori Guerrero is a seasoned nursing professional and facility administrator with more than 20 years of experience. Her passion for community and helping others led to her choosing a career as a Registered Nurse. After experiencing common frustrations of many healthcare workers first-hand, her desire to have a bigger impact on her patients led her down a path of forming her own healthcare organization, Trusted Medical with her co-founder Harvey Castro, MD, MBA to better serve her community. Lori's vision was to combine the best healthcare practices with the most comfortable environment possible where providers can build trust, personal relationships, and prioritize more time with patients. TMC is comprised of six Trusted Emergency Rooms, Trusted Pediatric Urgent Care, and Trusted Medical Center in Mansfield, offering patients an exceptional healthcare experience.

Lori Guerrero, MBA, MHA, RN is the CEO and managing partner at Trusted Medical, DFW's most innovative emergency room healthcare organization which operates full-service, first-class acute hospital and freestanding emergency rooms serving the greater Dallas-Ft. Worth area.

With a B.A. in nursing from Texas Tech University, an MBA from the University of Phoenix, and an MHA from the University of Phoenix, Guerrero brings more than 20 years of experience working extensively as a licensed nurse and facility administrator.

Born and raised in Texas, Lori developed a passion for community, health, and helping others at a young age. Her passion for community and helping others led to her choosing a career as a Registered Nurse. After experiencing common frustrations of many healthcare workers first-hand, her desire to have a bigger impact on her patients led her down a path of forming her own healthcare organization. Lori's vision was to combine the best healthcare practices with the most comfortable environment possible where providers can build trust, personal relationships, and prioritize more time with patients. In 2017, she co-founded Trusted Medical with Harvey Castro, MD, MBA to better serve her community and offer an exceptional healthcare experience.

Today, Lori works as a CEO, Registered Nurse, author, and motivational speaker. Her new book "Business of Mom" is helps women shatter self-limiting beliefs that stops them from achieving all of their dreams in life and business and their soul's fullest expression.

When she isn't working, Lori enjoys spending time with her husband and 5 children, going on walks with her multiple furry family members, and volunteering in various ministries through her church.
