Dr. Harvey Castro, MD, MBA, FACEP, is the president and co-founder of Trusted Medical, DFW's most innovative emergency room healthcare provider that offers a line of full-service, concierge level acute hospital and free-standing emergency rooms serving the greater Dallas-Ft. Worth area.

A certified emergency medicine physician by the American Board of Emergency Medicine and the American College of Emergency Physicians, Dr. Castro is a seasoned medical professional with nearly two decades of experience as a licensed medical doctor.

Voted "Best Doctor" since 2014 by D Magazine, Dr. Castro brings the most technologically advanced healthcare services to local and outlying communities throughout North Texas.

As an emergency medical physician, healthcare technology and business consultant, and an author, Dr. Castro's mission is to provide best-in-class healthcare to patients by building sincere trust with patients, healthcare professionals, staff, and community leaders by displaying unwavering compassion, care, and understanding.

With a Doctor of Medicine from University of Texas Medical Branch at Galveston and a Master's Degree in Business Administration from the University of Tennessee at Knoxville, Dr. Castro has built a strong reputation as a skilled businessman and a tech savvy healthcare professional who uses his talents and knowledge to develop innovative healthcare approaches with individualized patient care. His extraordinary life and work is documented in his book "Success Reinvention."

When he isn't working, Dr. Castro enjoys spending time with his four children, family and friends, traveling, reading, and volunteering in his community.
