

40+ (Lifting Action Eye Cream, Lifting Action Day Cream, Lifting Action Night Cream)

40 might be the new 30, but the tell-tale signs of aging can still reveal your true age. Our solution?

Keep everyone guessing with our complete line of 40+ Lifting Action treatments that visibly reduce wrinkles, and increase skin's firmness.

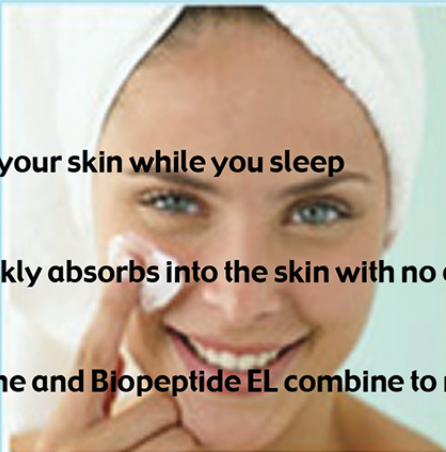

Day Cream

- Protects and moisturize your skin all day
- Formulated with Creatine, Caffeine and Biopeptide EL to increase skin's elasticity and firmness
- Liftingine®, a unique and innovative ingredient, reduces the visibility of small wrinkles, and helps fade away deeper ones

Night Cream

- Helps replenish your skin while you sleep
- Rich cream quickly absorbs into the skin with no greasy residue
- Creatine, Caffeine and Biopeptide EL combine to revitalize, protect and stimulate microcirculation of the skin

Eye Cream

- Diminishes dark circles, puffiness and crow's feet
- Repairs the damaging effects of aging for younger, healthier-looking skin
- Formulated with Liftingine®, to provide an immediate lifting effect
