

NOW INTRODUCING

# Sojrn Your way

A photograph of a European-style building facade, likely in Italy, featuring a balcony with a black metal railing. The building has a textured, light-colored wall and several windows with light blue shutters. A small balcony with a black metal railing is visible, with a white cloth hanging from it. A small Italian flag is visible on the balcony. The overall scene is a warm, sunlit street scene.

SAME SOJRN, EXPANDED BOOKING OPTIONS

# *Because life is not one-size-fits-all*

We're always working to adapt our Sojrn experiences to the needs of our guests. So when you ask, we listen. That's why we're proud to roll out our newest options for your stay.

Sojrn's more than just a visit abroad. It's living abroad. And life is all about flexibility.

NO HOUSING OPTION

---

# *Your housing, your way.*

Now, if you choose to, you'll have the freedom to book your own accommodations separately based on your budget, necessities, and desired level of luxury while still having full access to the Sojrn community, programs, and events.

# *Work the Way You Want*

We now provide a complimentary personal WiFi hotspot for all participants, so your "desk" can be anywhere from your own apartment to the cute coffee shop around the corner.

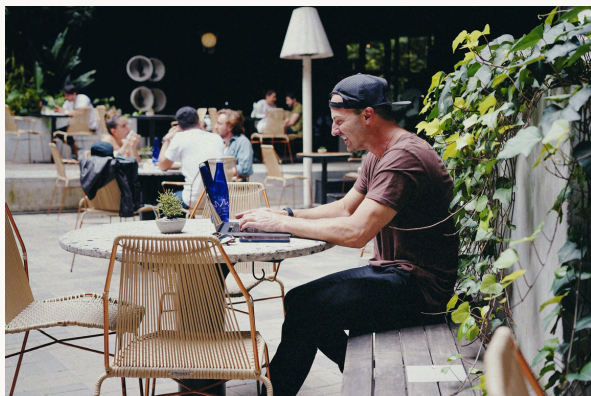

## CO-WORK UPGRADE

---

### *Co-Work, if That Works*

While we originally included co-work spaces, we found they weren't always used, so we've removed them from the base price of a Sojrn. However, we now offer an optional Co-Work Add-On if you need a more formal work environment. This way, you'll only pay for what you need.
