

## Banners

To create these banners, I first researched popular ranges, worked out which product types were relevant to the current season or any significant dates, and checked the stock of the products/ranges being promoted. I then worked with the graphic design team to ensure that the visuals and copy were cohesive and compelling.

### ThinkSport.co.uk

The below banners were created, alongside a [blog post](#), to help visitors to Think Sport get into a new athletic activity for the New Year and find the right tools to stick it out.

### WorkGloves.co.uk

The below banner was created in preparation for Spring 2024 to promote the range of "Eco-Friendly Gloves".

The below banner was created to draw attention to the Wet Grip Gloves category during Winter 2023/24.
