ABOUT

Molly Wolchansky is the founder and chief of Augie's Bookshelf. She has her degree in English from The University of Texas, and she has been published in literary journals, magazines, books, and anthologies. She is also a top editor and has copy edited a multitude of successful novels, including one that is being adapted for the big screen. Since she owns her own publishing company, she knows what makes a good novel, which makes her the ideal copy editor for an aspiring published author.
