### Scent Your Space Your Way

Our AromaConnect smart home technology makes it easy to share the clean home scents you trust with the people you love. Simply connect your devices, schedule your scents, and enjoy fuss-free, worry-free diffusion straight from your phone.

### **Effortless diffusion**

Customize your home's scent with set-and-forget diffuser timers and schedules.

### **Clean, naturally derived scents**

Our app-controlled diffusers use premium essential oils to make your home smell amazing without harsh chemicals, messy wax, or open flames.
