Bullet Points or Features

- GET THE ACNE-FREE SKIN YOU NEED: Our cystic acne treatment with pure Tea Tree Oil for face now offers twice the amount for the same price, so you can combat more stubborn zits; add this acne minimizer to your regimen to achieve blemish-free skin fast
- YOUR INSTANT ACNE REMEDY: Unlike other products, our adult and teen zit clay wastes no time; our Sulfur and Bentonite pimple spot treatment offers rapid results by unclogging pores and reducing the look of acne, leaving your skin clearer and fresher
- NO MORE REDNESS AND IRRITATION: You don't need to suffer in pursuit of beauty, so use our pimple cream spot treatment to say bye to breakouts; with only plant-based ingredients, our zit cream removes acne-causing irritants without causing discomfort
- OFFERS 120+ TREATMENTS: A little goes a long way with our cleansing acne cream that shrinks zits in no time, you'll be surprised by the good results when you wake up; our proactive acne spot treatment for face and body is ideal for all skin types too
- DIRECTIONS FOR USE: Apply a tiny amount of our zit, whitehead, and blackhead clay; rinse after 15 minutes; for best results, leave it overnight and use it with our hydrating Acne Treatment Face Spray and gentle Acne Treatment Face Cream Moisturizer

Product Description

Instantly Get Rid of Zits, Marks, and Spots

Are you tired of dealing with stubborn acne and products that worsen your skin problems? Get the ultimate acne-eliminating advantage with our pimple-fading treatment with a clay texture. Our anti-acne treatment is packed with natural ingredients such as Aloe Vera, Peppermint, Eucalyptus, Grapefruit, Spearmint, and Witch Hazel that help dry and remove pesky pimples, zits, and cysts by drying them out, leaving you with spotless skin you can be proud of.

Complete your skincare routine with our 3-Step Acne Treatment Kit, consisting of our Activated Charcoal acne face wash, face cream, and this spot acne treatment for hormonal acne. It also goes well with our Balancing Herbal Toner, Four in One Acne Treatment that works in four ways, including a face mask, and Invisible Acne Spot Treatment with Salicylic Acid, which you can wear with makeup. For zit scarring, use our Acne Scar Cream that helps fade blemishes.
