Bullet Points or Features

- ZERO-CALORIE MONK FRUIT DROPS: Our monk fruit liquid sweetener lets you enhance the flavor of desserts and beverages without the guilt; enjoy the premium taste of this zero-calorie sweetener minus the drawbacks of artificial monkfruit sweeteners
- 100% PURE MONK FRUIT SWEETENER NO ERYTHRITOL: This monk fruit sweetener without erythritol is a natural sweetener sugar sub perfect for those who are looking for keto sugar substitutes, keto sweeteners and sugar alternatives for their keto snacks
- A FEW KETO DROPS IS ALL YOU NEED: A small amount of our keto liquid monkfruit sugar sweetener is enough to offer the classic, sweet taste of monk fruit without erythritol; just add it to keto food or vegan drinks like your favorite golden milk recipe
- VEGAN, PALEO, AND KETO-FRIENDLY FOOD SWEETENER: Our zero-sugar monkfruit sweetener drops offer monk fruit sugar ideal for low-carb, health-conscious diets; our monk sugar keto sweetener is also a white and dark brown sugar substitute for diabetics
- A HEALTHFUL SUGAR ALTERNATIVE: Like our stevia powder, our monk fruit sweetener liquid also promotes weight loss by helping you with weight management; this sugar-free calorie-free monk fruit extract can also be used as a monk fruit syrup for baking

Product Description

Get Started on A Healthy Lifestyle with Our Monk Fruit Sweetener

Swerve around those rock sugar cubes, unrefined black sugar, fine sugar sticks, invert sugar syrup, and sugar sprinkles you put into your desserts and drinks and go along with the health-conscious stream with our flavored liquid drops instead. Whether or not it was your New Year's resolution to start saying no to sweets, you'll benefit from our Monk Fruit sweetener. With a travel-friendly bottle, you can finally stay away from sugar wherever you are.

Natrisweet Monk Fruit concentrate drops provide a natural taste clear of artificial flavors, with no added sugar. What you'll get is pure monk fruit goodness that's oh so flavorful.

Why Choose NatriSweet Liquid Monk Fruit

- 200 times sweeter than sugar
- a little goes a long way; provides up to 911 servings
- zero glycemic index, zero calories, zero carbohydrates
- no artificial flavor or bitter aftertaste
- no erythritol, xylitol, maltodextrin, or regular sugar

Works Great With

tea, coffee, cocktail drinks, yogurt, cereals, oatmeal, pastries, smoothies

Mix and blend it with your ready-to-drink chocolate shake, iced lemonade, coconut juice, lemon soda, vanilla drink, orange smoothie, cocoa protein shakes, and anything else you think deserves a touch of natural sweetness! You can also use it as a food enhancer and muscovado alternative to homemade candy, choco cereal, pancake, caramel icing, cinnamon rolls, English breakfast with egg, granola, toffee dessert, caffeine-free baked goods, and others.

Now, you can make a simple sauce, jam, and a whole lot more taste better with our pure Monk fruit liquid. It also makes for a perfect maple syrup or sugar substitute that keeps your tastes buds buzzing and your body nourished. Kick high-calorie sugars and syrups to the curb and stay skinny with zero-calorie, zero-carb, all-natural Monk Fruit.

Benefits

Helps Keep Your Blood Sugar Levels Stable

As a natural sweetener that's 200x sweeter than table sugar, our Monk Fruit liquid drops help manage your blood sugar levels, so you can satisfy your sweet tooth without regret.

Promotes Weight Loss

A great and tasty substitute for those watching their waistlines, monk fruit helps minimize the body's ability to add general fat mass.

Carb-Free & Calorie-Free Immune System Support

Our vegan liquid drops contain antioxidant properties that combat free radicals, helping keep your immune system in check. Our flavorful product has no calories, carbs, additives, binders, xylitol, and artificial sweeteners like erythritol.

Directions

Shake well before use. Add 2 drops per 2 oz of liquid to naturally sweeten your beverage (suggested: 8 drops per cup of liquid). As personal preferences vary, adjust according to your taste.

REFRIGERATE AFTER OPENING OR STORE IN A COOL, DRY PLACE.
