### Title

TreeActiv Body Acne Treatment Spray + Acne Patches | Salicylic Acid Pimple Mist for Chest, Arm, Shoulder, Bacne, Thigh, & Butt | Zit, Hormonal Acne, Bumps, & Milia Remover for Clear, Blemish-Free Skin

### Bullet Points or Features

- SALICYLIC ACID SPRAY FOR STUBBORN ACNE: With Salicylic Acid and Tea Tree, our cleansing acne spray helps you fight pimples wherever they are — back, shoulders, thighs, buttocks, or anywhere else; it's the only body acne spray and bacne spray you need
- GENTLE HORMONAL ACNE TREATMENT: Say no to skin-damaging mists with our non-irritating butt acne and back acne treatment for women and men; our back acne spray and proactive acne remover is safe for all skin types thanks to Aloe Vera and Arnica Flower
- BREAKOUT PREVENTION SPRAY: Our nonstaining body acne treatment with Eucalyptus Oil and Peppermint helps prevent pimple formation; easy to apply on large and hard-to-reach areas, this Tea Tree Oil spray also works as butt acne clearing treatment
- WITH PIMPLE PATCHES: Our Witch Hazel spray comes with oil-absorbing Hydrocolloid patches to make sure you're acne-free; our detoxifying, simple-to-use, overnight pimple stickers come in 3 sizes, so every acne patch can fully cover each bump and dot
- DIRECTIONS FOR USE: Spritz our Lavender acne body spray, paying close attention to acne-prone areas; do not rinse; follow with our Acne Eliminating Body Lotion for best results; target exposed acne anytime with our pimple patches for face and body

## Product Description

### Get Acne-Free Skin from Head to Toe

Master the art of severe acne skincare regimen with our nature-powered treatments. This anti-acne pair helps combat zits, even age spots, until they're invisible.

Our clarifying mist reduces the look of all types of body acne thanks to its natural ingredients like Matricaria Extract, Menthol Oil, Spearmint Water, and Willow Bark Extract that help remove, deeply cleanse, and strip away irritants, giving your skin the ultimate exfoliation. Unlike other removers, our daily spray for adults and tweens does not contain Benzoyl Peroxide which may cause skin irritation.

This refreshing, quick-drying spray gently exfoliates and gets easily absorbed by your skin, removing dirt, deep-cleaning pores, and gradually fading pimples, marks, redness, and inflammation. Use our handy back acne treatment for men and women with our Acne Exfoliating Body Wash scrub for best results. Complete your Korean bundle or essential acne set or kit with our Acne Eliminating Face Spray for facial acne, Cystic Acne Spot Treatment with Sulfur, and Acne Scar Cream.

Our 8 oz pimple remover comes with acne covers that dry out zits, so you get a potent acne system. Unlike ordinary microneedle bandaid, zapper, popper, tape, scrubber pad, zit-popping products, microneedling bandages, pimple terminator bandaids, or astringent pads, our acne sticker is clear and ultrathin. It works as a potent eliminator and cleaner and even helps prevent acne scarring.
