When you enroll in a fully-insured plan, you're tied to never-ending premium increases. You have little control and zero visibility into where your company's money is really going.

Traditional self-insured plans don't fare much better. For large companies with big balance sheets, these plans might work. But for small-to-mid-sized employers like you, the risk is simply too great.

**There's a better way.**

When you choose ParetoHealth, you join a you join a community of like-minded employers committed to offering better employee benefits, reducing waste, and innovating healthcare – on their own terms.

**Our solution is personal.** Simply put, you're in control of your plan, and you have the power to:

- Choose the network that suits you
- Select your own plan design and TPA
- Cut costs and improve coverage
- Offer innovative healthcare programs, including:
  - Oncology management
  - Prescription drug cost control
  - Care coordination services
  - Health data analytics

You get a best-in-class funding plan. **Your employees get the benefits they want.**

As a member of the ParetoHealth community, you have access to the strongest stop-loss policy in the industry. That means you're protected against large, ongoing claims. You pay your small claims as they happen -- no overspending for the claims that don't. **You pay your claims as they happen – no overspending for the claims that don't.** But that's not all: You have strength in numbers in your community, creating a long-term buffer against stop-loss premium increases.

**That's sustainable protection, with lower costs and fewer risks.**
