

**Green Clean Express Auto Wash
Ribbon-Cutting Ceremony
Thursday, June 3, 2021 @ 11:30 a.m.**

**Mayor Shannon Glover
Remarks**

Good Morning! Thank you to everyone for coming out. Today, we stand here to commemorate and celebrate the opening of the newest Green Clean Auto Wash location in the City of Portsmouth.

With one location already operating on Airline Boulevard, and one opening in the near future on High Street, we are very pleased Green Clean has continued to provide our city and its citizens with fast, high-quality, auto washes and numerous job opportunities with potential for growth.

Shawn Everett, the founder of Green Clean, said he learned a vital lesson from his father and uncle . . . that every customer who came in for a car wash was the most important customer of the day. As we cut the ribbon today, let's take that approach and sentiment with us to build better bonds with one another around the City of Portsmouth.

Thank you and have a wonderful afternoon.
