Win more deals and larger projects

- Clients with FICO scores as low as 500 can see options on Hearth, and loans range from \$1,000-\$100,000.
- Clients get pre-qualified without affecting their credit scores and can get cash in their accounts in 1-4 days.

Improve your profit margins

- As a BBB Accredited Business, you can access Hearth's technology platform for a highly discounted annual fee.
- Never pay per-loan dealer fees, and keep 100% of your profits all year long.

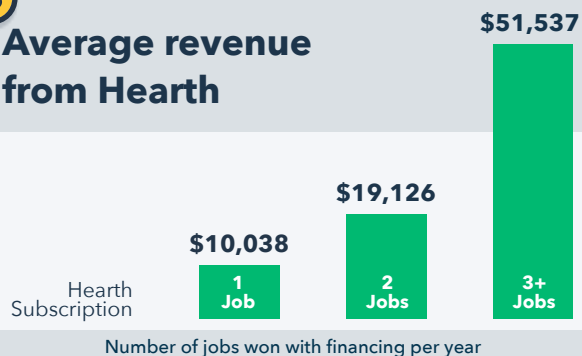

Serve and empower your customers

- Hearth team members are ready to help you and your customers every step of the way.
- Generate leads directly from your website with flyers and banners linking to your financing portal.
