

## Celeb hair spy

**Pixie Lott**

Plaits are back and Pixie has gone for it in a subtle way, injecting grown-up glamour into her style with these chic, boho style twists.

**PARIS HILTON**

Paris, infamous for her voluminous waves, shows she's no one-trick pony by opting for this sleek, trendy plait instead.

**Jessica Lowndes**

Not far behind in the style stakes, Jessica sports a classic fishtail plait to inject some red-carpet glam into her look.

EVERYONE'S WEARING...

# plaits

Neat or wild, everyone wants to be a braid maid

**BRITTANY SNOW**

Gone are the big Disney waves as Brittany goes for a grown-up and demure style.

**EMILY BLUNT**

The plait can be a saviour for day-old hair. Twist it up into this Grecian look and you'll soon be the belle of the ball.

**Laura Whitmore**

Breaking away from the crowd, Laura opts for one unevenly-placed plait to give her style a youthful and dishevelled edge.

**HAILEE STEINFELD**

Working a French side plait, Hailee shows that this cute style is great for those with long, thick hair. Show that mane off in style!
