

Pro-Life Introspect

You say you're pro-life ... and vote to shutdown clinics that provide pre-natal care and choices of birth control so that women don't have to end up making the terrible decision about an abortion.

You say you're pro-life ... but call your daughter a whore and throw her out into the streets when you find out that she is no longer a virgin?

You say you're pro-life ... but throw your children into the streets when you find out they are gay

You say you're pro-life ... but complain about the way you think that the Blacks, Browns, and Yellows reproduce.

You say you're pro-life ... but vote to keep immigrants out of the country who are fleeing death and starvation.

You say you're pro-life ... but against welfare?

You say you're pro-life ... but complain when you see a hungry man go begging on the street

You say you're pro-life ... but walk past the homeless and complain about their presence

You say you're pro-life ... but against low-cost housing in your neighborhood

You say you're pro-life ... but vote against sufficient taxation to educate our children

You say you're pro-life ... but vote against Universal Health Coverage

You say you're pro-life ... but vote against climate control

You say you're pro-life ... but vote against environmental protection

You say you're pro-life ... but want us to increase spending on nuclear armament

You say you're pro-life ... but vote to reduce Social Security and Medicare

You say you're pro-life...but send your Mother and Father to a nursing home so they won't change your life style.

You say you're pro-life ... You say you're pro-life ... You say you're what?
