

The Fish House Wedding Location

By: Damion Rochester

Attracting over 10 million tourists each year for its sun kissed oceans, breathtaking rainforest, entertaining theme parks, exotic nightlife, and subtropical climate, the Gold Coast has peaked the global interest of world travelers, becoming the wedding destination for those who desire to live in paradise. Known for our award-winning menu, deliciously embodying the culture of Southern Europe and aesthetically providing a picturesque view of the best that the Gold Coast has to offer, the Fish House is the premier wedding venue at the Gold Coast.

Let's face it, next to the glamorously chic and timeless wedding gown, is the menu. No one wants to attend a beautiful wedding that serves tasteless food and insipid wine. Located by the crystal blue ocean, our sea food menu stays fresh daily. We fly in the best available fish every single day from around Australia. Our menu has been awarded by Good Food; Gourmet Traveler Award; Gold Coast Young Entrepreneur Award; and Gourmet Traveler Wine, The Drinks Association, awarding us with Australia's Wine List of The Year Award.

The delicate aroma and filling taste buds of our menu has gained us global recognition in the following publications:

- 8 Best of Burleigh Heads
- Hong Kong Reviews
- Virgin Voyeur Inflight Magazine
- Ocean Road

- The Australian
- The Financial Review
- Gourmet Traveler Recipe Book
