WHAT DRIVES EMPLOYEE ENGAGEMENT?

Employee engagement is a critical driver of business success. According to Gallup, managers and team leaders account for **70%** of team engagement.*

But enhancing employee engagement isn't a **one-size-fits-all approach**, and it starts by having your plan laid out even **before recruitment**.

The [SHRM Talent Conference & Expo 2023](#) (Talent 2023) can help you create a winning strategy to **maximize employee engagement**—from best practices in **recruiting the right employee** through **training and development** to ensuring you have the right **data analytics** to understand their engagement needs and preferences.

Learn how to make sure your organization is doing enough to **keep employees engaged** through these turbulent times. Join us in **Orlando** or **virtually, April 16-19** to find the solutions you need to foster a winning workforce.
