Location Map

Located within a self-contained integrated development in Glenmarie, Urbano is a collection of urban suites developed to meet the evolving need of modern city dwellers. Thanks to its close proximity to Subang Jaya and surrounding elite township, residents enjoy easy accessibility and excellent connectivity via six major highways to and from the KL city centre. There are also future networks which include an LRT line coming up soon, all of which will place Urbano as one of the most well-connected addresses in the city

Amenities
