march to help babies

Colorado/Wyoming Chapter • Southern Colorado Division
421 South Tejon, Suite 310 • Colorado Springs, CO 80903 • [\(719\) 473-9981](tel:7194739981)

Meet Lina

I would like to introduce myself and tell you about the impact the March of Dimes has had on my life.

My name is Lina Betts and I am the new Community Director for March of Dimes Southern Colorado Division. The March of Dimes played a huge role in my life as my cousin's second child was born with the medical condition Sepsis. My nephew spent time in the NICU and I can appreciate the great work that the March of Dimes does. My role in this organization began in 2013 as an intern. I love the March of Dimes, its mission and enjoy every person I have met along the way. We have some very exciting things planned in 2015 and are excited to expand the reach of our mission and the amount of support we provide to families. If you have any questions please don't hesitate to [get in touch with me](#). I look forward to meeting you all in the next few months!

Get Started Today

Starting your March for Babies team is easy! First, visit marchforbabies.org and register. Second, share your team page and invite your family and friends to join your team! As an added bonus, register and raise **\$100** by **February 28** and you will earn a thank-you gift from us, a [March for Babies drawstring backpack](#). Now is the time — register and start your team today!

March for Babies
Saturday, April 25, 2015
Gateway Park

You are Invited

This year, more than 7 million people will join their family, friends and colleagues in 900 communities across the nation to [March for Babies](#). When you walk in March for Babies, you give hope to the more than half a million babies born too soon each year. Premature birth impacts one in 10 Colorado babies. The money you raise supports programs in our area that help moms have healthy, full-term pregnancies. And it funds research to find answers to the problems that threaten our babies.

LOG IN

I invite you to go online today to marchforbabies.org to find your walk and register your team. Then set your fundraising goal, invite others to walk with you, ask for donations and get out

there on walk day!

Remember that at your fundraising page you can quickly and easily access tools that will help you. I am happy to be a resource to provide you with tools for fundraising as well. Our chapter website at marchofdimes.org/colorado also has useful information. And don't forget to follow us on [Facebook](#), [Twitter](#) and [Instagram](#) at MarchofDimesCO for the latest news and updates!

Day of, look for many fun things like an invigorating walk, an inspiring program and activities for kids. In the meantime, let me know if I may help you in any way. No matter if this is your first March for Babies or your 25th, you can expect the event to be fun, compelling and rewarding. Thanks again for walking with the March of Dimes for stronger, healthier babies.

Lina Betts

Community Director

We know Family Teams are passionate about two things: Paying It Forward through their fundraising; and, honoring their mission reason. This year at March for Babies we will be honoring the many mission families who touch our lives. Join us as we build a collage to be unveiled at each of the seven walk sites across the state.

Email one "Then" and one "Now" picture of your little miracle(s) to [our Family Teams Specialist Jenny](#) by February 28.

If your mission reason includes a loss, we would like to remember your little one with our Remembrance Butterfly. Please send us the name(s) of babies you would like to have remembered.

For Family Teams who would like to help promote their community's walk and show their team spirit, we can also create special posters using their "Then and Now" pictures. These posters will be perfect for teams to place at their school, day care center, place of worship, favorite coffee shop, etc.

We hope your Family Teams will add this fun project to your March for Babies must-do list as you work to raise funds to further our mission! The deadline to submit pictures and to be an Early Bird is February 28.
