## Are you ready to get dirty?

If you've ever wanted to play volleyball in the mud, here is your chance to do just that — and for a good cause. Now a fun and exciting tradition in Southern Colorado, MUDD is a volleyball tournament featuring coed teams battling it out, all day long, in huge pits of mud. MUDD Volleyball definitely one of the most anticipated summertime events in Pueblo!

The Southern Colorado tournament will kick off on Saturday, Aug. 8, at 9 a.m. at the Corner of Assembly and McCulloch at 1 E. Assembly Drive in Pueblo West. It will challenge coed teams, knee deep in mud and welcomes hundreds of spectators. Registration starts at \$400 for a team. Sponsorship opportunities are also available.

MUDD is truly an event unlike any other and the dirtiest way to have some good clean fun for stronger, healthier babies! Space is limited, so register your team today at [muddvolleyball.org](http://muddvolleyball.org).

## Last Chance to Fundraise for March for Babies Online!

The cut-off date for online fundraising for [March for Babies](#) is July 24, 2015. After that date the online fundraising tool will no longer be available for 2015 and be updated to reflect 2016 information. If you receive any donations after July 24, please mail them to:

## Chapter Recognized for Excellence in Advocacy and Program Services

The Colorado/Wyoming Chapter was recently awarded the Innovation Award for advocacy by the March of Dimes national office. The chapter was one of only six in the country to receive this award, which is given to chapters for advancing the March of Dimes mission through consistency, effective, and innovative advocacy at all levels of our government.

Katie Behnke, Denver Division Board Chair, and Scott Matthews, Director of Program Services for the Colorado/Wyoming Chapter, accepted the award while attending the National Programs Meeting in Washington, DC in May. At the meeting, the chapter also received the 2014 Basic Program Excellence Award, which recognizes chapters who demonstrate excellent execution of basic program competencies and the regional Program Impact Award for 2014. This award recognizes chapters who build upon a strong foundation and achieve high impact through strategic mission investments.

Currently, through grant funding, March of Dimes is partnering with 14 community organizations across Colorado so that more women can receive quality prenatal education and prenatal care through our Becoming a Mom/Comenzando bien and CenteringPregnancy programs.
