Don't miss the opportunity to ignite your passion, sharpen your skills, and propel your projects to new heights. [Register now](#) and prepare for a transformative experience that will shape the future of project management!

### Update Your Email Signature

Update your email signature with the CodeTwo app in Outlook to spread the word about PMXPO 2025. For more instructions about our signature app, read our [OnePMI article](#).

#### Step 1: Open a New Email

**Step 2:** Select **CodeTwo Signatures** from the ribbon (If you can't find CodeTwo on your Outlook ribbon, select "Home", then in the top ribbon select **Get Add-Ins**. In the search on the top, type **CodeTwo**. Then **Install**)

**Step 3:** Review the fields, and update any info at <https://user.codetwo.com/>. Select the Global Summit Signature and click **Use this signature**

**Step 4:** Copy your new signature from the email

**Step 5:** Click File > Options > Mail > Signatures

**Step 6:** Click the signature you want to edit, or select **New Signature**, and paste this signature into the box. Feel free to make any adjustments to your information

**Step 7:** Select this signature as your default at the bottom if you want it to auto-populate for "New Messages" and/or "Replies and Forwards."

**Step 8:** When you're done, select "save" > OK. Your signature is now ready for use!
