

We're Going Mobile—Introducing the PMI Official App

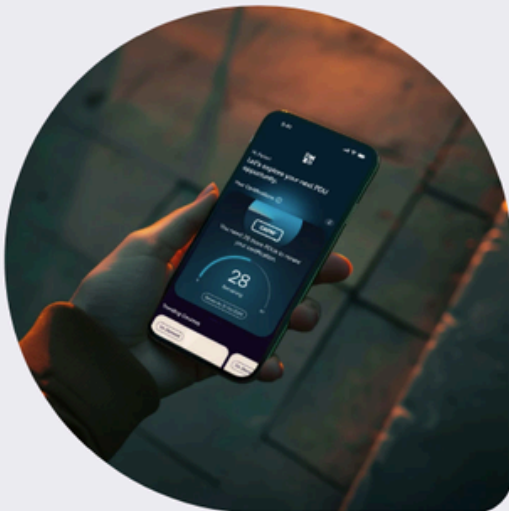

Alexis Washington
Internal Communications Specialist II

2 min read

Maintaining and renewing PMI certifications just got a whole lot easier for our community, with the launch of the new PMI Official mobile app—now available in the App Store and Google Play Store in select countries (see full list below).

Designed to simplify and energize the post-certification journey, this mobile-friendly application empowers PMI-certified professionals to stay active, continue learning, and grow their careers. By logging into the app with their myPMI account, users can:

- Check their certification renewal status
- Receive timely renewal reminders
- Track and report PDUs
- Learn more about certification maintenance
- Search, filter, and save courses
- Explore a personalized dashboard
- Share feedback to help shape future app releases

Download the free PMI Official mobile app in the App Store or Google Play Store

Who Should Use the App

This initial release supports PMI-certified professionals who hold the following certifications:

- Certified Associate in Project Management (CAPM)®
- Project Management Professional (PMP)®
- Program Management Professional (PgMP)®
- Portfolio Management Professional (PfMP)®
- PMI® Project Management Office Certified Professional (PMI-PMOCP)™
- PMI Agile Certified Practitioner (PMI-ACP)®
- PMI Risk Management Professional (PMI-RMP)®
- PMI Professional in Business Analysis (PMI-PBA)®
- PMI Construction Professional (PMI-CP)™

Why This Matters

The release of the new PMI Official mobile app supports our commitment to creating a more **unified digital experience**, a key pillar of our PMI:Next strategy. By creating a seamless, mobile-first interaction, we're meeting some of our most engaged community members right where they are and delivering modern, consistent experiences that reflect our brand—while paving the way for exciting future capabilities.

How You Can Support

As an employee, you can help us make the launch of the new **PMI Official mobile app** a success. Here's how you can support the launch:

- Download and explore the mobile app to familiarize yourself with its features—so you'll be ready to discuss it and share it with our community.
- Help us spread the word about our new app using [Advocacy](#), our employee social media sharing platform that helps you easily amplify our latest updates with your network.

By making it easier to maintain and renew their certifications, we're ensuring our community feels supported, engaged, and invested. For more information, read our [Mobile App FAQs](#).
