

How To Introduce a New Puppy to Your Dog

Find a neutral territory that your adult dog doesn't view as his turf. This prevents your dog from becoming territorial when he eventually meets your puppy at home.

How to introduce a new puppy to your dog is not complicated if you take plenty of time for the introductions and watch carefully to make sure they are not stressed. Adult dog Harmony is at ease with Liberty Belle, but the puppy is still a little unsure about Harmony. © Melissa L Kauffman
