7 HOT SAUCE CRUSHERZ — PUPBASCO BY ZIPPY PAWS

\$9.99; zippypaws.com

The crinkly water bottle inside (extra point for repurposing plastic), combined with the squeak, kept our pups occupied for quite some time.

8 LUCKY DOG STAY SERIES STUDIO JR. KENNEL

\$279.99; luckydogdirect.com

Easy to assemble and perfect to give dogs (both big and small) shade and rain protection when they are hanging out in the yard.

9 WASHABLE PEE PADS FOR DOGS

\$28.99/2 pack; pupiboo.com

We love the colors, design and the size — a stylish alternative to traditional puppy pee pads. Plus it's washable!

10 KNUCKLEHEADS 2-IN-1 ELEPHANT TOY

\$16.99; spunkypup.com

A great combo toy with both flavored hard tusks and stuffed animal portions. One of our dog judges preferred to gnaw on the tusks, while his sibling liked the softer side.

11 PAINT YOUR LIFE DOG PORTRAIT

Starts at \$140; paintyourlife.com

Really easy to use the site, at all stages, from uploading photos to selecting a frame. Very cool idea to combine and edit photos into a painting.

12 GOU GOU PETS DERMASKIN OINTMENT

Starts at \$16.99; gougoupets.com

Love all the Gou Gou Pets holistic skin care and grooming products but particularly this ointment. Worked wonderfully on allergy rashes.
