WHEN WE SAY FREE CHECKING, WE MEAN IT

No monthly service fees. No minimum balance. No hassles.

Why should you pay to spend your own money? With a Free Checking account at Desert Financial, you can keep more of your hard-earned dollars for the important things — like dinner with good friends, family vacations or tickets to the big game.

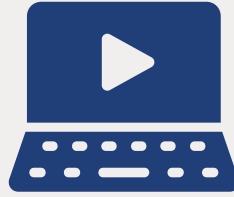

STOP PAYING FOR CHECKING

The average checking account costs around \$120 in monthly service fees each year. That's enough money for:

25 lattes

OR

An annual video-streaming subscription

OR

2 plane tickets from Phoenix to Los Angeles

When you open your Free Checking account at Desert Financial, you become a member of the credit union. We're local to Arizona, so we'll be here whenever you need us! As a member, you'll save on monthly checking fees while enjoying convenient digital access to your accounts.
