

SEASONS OF KINDNESS

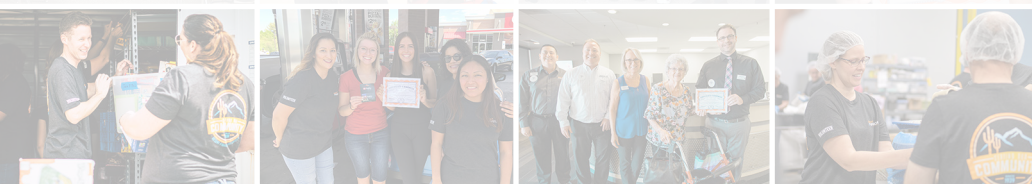

In the 525,600 minutes of 2018, we shared more than **\$7 million** with our members, our team and our community.

How do you measure a Year of Giving?

*In givebacks, in kindness, to teachers
and in scholarships,
in sweepstakes, in contests,
in nonprofit grants.*

In the 525,600 minutes of 2019, we're giving back even more. We believe in sharing our success simply because it's the right thing to do — and we're excited to continue lighting the candle of kindness throughout every season this year.

Desert Financial is proud to sponsor the 2018-2019 Broadway Across America – Arizona season, and we hope you enjoy Rent!
