Yampa Valley Medical Center Foundation

Gratitude

The halls of our hospital buzz with physicians making their rounds and nurses rotating from day to night shifts. While behind the scenes, the hospital's operation crews work diligently to keep the heart of the hospital ticking. These team members are an integral part of our hospital and play a vital role each and every day. Their value to the health of the hospital? Critical. And often times the public isn't aware of their presence.

Patient care wouldn't be possible without those working in Environmental Services, Transportation, Courier, Facilities Maintenance, Food and Nutrition Services, Central Supply, Admissions and Pharmacy. We are grateful for all they do, as well as your continued support. Contributions to the Greatest Need fund support the priorities of the many departments in the hospital.

Together, we make possibilities and reality.

2021 Annual Priorities

Oncology Patient Assistance

Supports cancer patients and their families by helping to cover some of their monthly household expenses.

Greatest Need

Gifts to the Foundation's unrestricted funds allow for allocation to the program or service where the need is currently greatest. Your contribution to these funds helps the Foundation respond to the pressing needs of the hospital and our patients.
