My Story :

Hi there, I'm Pearl. I'm a shy girl searching for her furr-ever home. Although I'm a bit reserved, I do warm up to people when given the chance. But I still love to play! I'd love to go to a quiet home with a patient, loving family.

My Story :

Hi, I'm Rose! I'm a sweet little girl with a beautiful tortie coat. I love being petted and scratched so if you have them in big supply then I'm your gal! I also love chasing that elusive red dot and hope to catch it someday. Can I come home with you?
