

## Find your retail bliss. Fall Into Downtown Scranton!

As part of our [Fall Into Downtown Scranton](#) campaign, you'll find **Buzzin Biz** promotions in Downtown Scranton throughout the month of October as we celebrate the installation of our latest Downtown mural, which is part of artist Matthew Willey's international "[The Good of the Hive](#)" project.

### Special Incentives

Businesses will offer special incentives and showcase **bee** and **honey-related products** all month. Find the latest fall styles, and shop your way: in store, online, curbside pickup and delivery.
