

## ***Are You Brave Enough to Dash Up Olive Street?***

On Sunday, August 28, we'll start the day off on the right foot (so *to speak!*) with [The Electric City Classic One-Mile Dash](#), sponsored by [Scranton Running Company](#).

This short, but mighty, uphill sprint kicks off the [Electric City Classic Hill Climb](#) on Olive Street (between Taylor and Prescott Avenues) in the Hill Section of Scranton.

Original, exposed bricks at the top of this steep hill pose an added challenge to all those who dare to take on this section of Olive Street.

The foot race is just one of the many ways you can participate in the Electric City Classic Hill Climb! (Of course, you can ride your bike, too!). The event runs from 10 a.m. to 1 p.m., and there are activities for all ages and skill levels. [Click here](#) for a full schedule.
