

IJM
Venture
Council

We invite you to join the
inaugural IJM Venture Council
created to launch IJM into the
next era of possibilities and to
change history for good.

A photograph of three children playing on a beach. The children are silhouetted against a bright, hazy background of a sunset or sunrise. They are splashing water, and the water droplets are captured in mid-air, creating a dynamic and energetic scene. The overall mood is one of joy and playfulness.

Rescue millions, protect half
a billion, and make justice
for the poor unstoppable.

2030 VISION

THE IJM VENTURE COUNCIL

The IJM Venture Council is a key part of making the 2030 Vision a reality.
