Meet Our November Queen

(Yes, we know it's December, but there are just so many exciting things happening that we're running a little behind.)

After unexpectedly falling into her dream job, Fat Gold's Kathryn Tomajan is looking to make some room in the olive oil industry. Plus, check out the olive oil goddess's eight tips on how to buy and store high-quality oil.

MEET THE QUEEN

Hella Good Eats

This month we are all about chicories! Gorgeous, bitter, and utterly delicious, these leafy babes deserve to shine.

Radicchio & Crispy Mushroom Salad

'Tis the season for sweets, treats, and serious comfort foods, but sometimes you just need a really good salad to shake things up. We don't mean just any pile of greens, though. We're talking about a

Gmail - Meet Our Olive Oil Queen!

warm salad with radicchio, crispy mushrooms, toasted nuts, tangy orange, creamy goat cheese, and a zingy citrus vinaigrette. Mhmm.

Roasted Chicory & Ricotta Galette

Sometimes just saying the word “galette” makes you feel fancy. While this recipe packs big wow factor, it’s hella easy to make. Layers of savory ricotta, charred treviso, and a luscious drizzle of honey are all tucked into a buttery crust. Damn, queen, you fancy.

HQ x Lideres Campesinas

Today's the last day to get your Harvest Queen swag! All proceeds go to Lideres Campesinas, a California-based org that empowers farmworker women and girls to be agents of economic, social, and political change, while also ensuring their human rights. Plus, our Ts and sweatshirts make great gifts. Just saying ...
