Hello {first\_name},

Even in today's challenging business climate, real estate agents in my office are cashing commission checks. They're taking listings, writing contracts and closing transactions.

Virtually Home with Weichert empowers Weichert Sales Associates to deliver an immersive, online sales experience for their clients when needed. It's a virtual toolbox that lets them go from first look to final walk through to closing, from anywhere ... conveniently, innovatively and securely.

At Weichert, we work together across our 18 companies to keep the path straightforward and simple for buyers and sellers alike. [See the RISMedia article](#)
